Scholarship and Assistantships	Some graduate programs offer scholarships and assistantships. Contact your program director or advisor for more information. Free scholarship searches are available at: www.fastweb.com and www.brokescholar.com	A completed FAFSA is needed for most forms of scholarship aid.
Veteran's Benefits	Qualifications are determined by the U.S. Department of Veteran's Affairs	Go to Wingate Hall, room 107 or call 212-650-5374. Logon to www.ccny.cuny.edu and click on "Veteran's Affairs."
Aid to Native American Indians	This is a grant for students who are at least ¼ American Indian, Eskimo, or Aleut, and/or certified as a member in a tribe served by the BIA.	To apply, contact the U.S. Bureau of Indian Affairs Office of Education at: www.bie.edu/ParentsStudents/Grants/ or call 1(202) 208-6123.
Alternative Loans	Alternative Loans (Private Education Loans) are offered through private lenders. These loans are not guaranteed by the federal government and may carry high interest rates and origination fees. CUNY does not recommend any specific lender/programs. If you are paying your tuition with an alternative loan, you must inform the Bursar's Office and provide documentation prior to your bill due date to avoid class cancellation.	Contact the lender of your choice for details about their program and application process. Before receiving a private education loan you need to print and fill out the Private Education Loan Applicant Self-Certification form and submit it to the Financial Aid Office at your school.

HOW TO APPLY:

Unless otherwise stated, to be eligible for any of the programs, you must meet the following requirements: be a U.S. citizen or eligible non-citizen, be enrolled at least half-time in a degree program, and be in good academic standing. In addition, you must demonstrate "need" under the applicable federal or state formula. Applications must be complete, accurate, and submitted by the applicable deadline.

1. Create an FSA ID (Federal Student Aid ID) at <https://fsaid.ed.gov/npas/index.htm>.
2. Complete the FAFSA. City College's School Code is 002688.
3. Claim your CUNYfirst account and CityMail email account.
4. Check your CUNY e-mail and complete any items on your CUNYfirst "To Do List." Typical "To Do" items are completing an electronic Master Promissory Note (eMPN) and, for first-time Federal Direct Loan applicants, completing online entrance counselling at www.studentloans.gov.
5. Once the FAFSA is completed and eligibility has been confirmed, all matriculated graduate students will automatically be "Packaged" with a Federal Direct Unsubsidized student loan each academic year. Graduate students will be required to "Accept" their loan via the "Accept/Decline".

 **CUNYfirst navigation:** Self Service ➔ Student Center ➔ Finances ➔ Accept/Decline Awards

Prior to accepting the loan, a graduate student will have the option to decrease the amount of unsubsidized loan that has been offered.

It is advised that you request a loan for all of the semesters you will be enrolled at least half-time (6 credits) in an academic year. (One academic year consists of the Summer, Fall and Spring semesters). If you ask for a one semester loan, you will need to complete an "Additional Loan Request" form, to receive a loan for another semester within the same award year.

HOW LOAN FUNDS ARE DISBURSED:

How are loan funds disbursed - When the eMPN has been accepted by the federal processor, a loan payment will be generated for the next scheduled disbursement (payment) date. Loan refunds are disbursed once a week, on Fridays. When a disbursement is scheduled, the Bursar will automatically deduct unpaid tuition and fees. Student loan funds can be: 1.) Mailed as a check or 2.) Direct deposited to a bank account (See "Direct Deposit" information on the CCNY Bursar's website.)

Loan Repayment - Repayment on the student's loans begins six months after graduation, termination of attendance, or when you register for less than six credits while in attendance.

To learn about several repayment options, please visit: www.studentaid.ed.gov/sa/repay-loans

Loan forgiveness program - In certain situations, students can have their federal student loan forgiven, canceled, or discharged.
